Profits from this book will go to The Cotton Tree Children s Trust Orphanage, Sierra Leone. In these three books I outline the exact steps that enabled me to move my own life from one of poverty and drudgery, to one of previously unimaginable wealth, purpose and joy. But Magic? I do hope you are joking! That s what I would have said, five or ten years ago. Once I realised that the power came from within me, it was as if the light had suddenly been switched on and my manifestations began to work. I learned how to manifest money and love, but I also learned how to be happy, truly happy. If you re jaded by the whole New Age Law of Attraction idea, have become bored by its failure to deliver. these books are for you. It is my intention to lead you by the hand through a marvellous journey of...
