Through the Depths of Space: A Primer of Astronomy (Classic Reprint) (Paperback)

By Hector MacPherson

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Through the Depths of Space: A Primer of Astronomy The object of this little book is to give in simple language a comprehensive idea of the Universe. It is intended to supply a felt want, and does not aspire to be an exhaustive text-book of the science of astronomy; neither does it aspire to deal with the mathematical and instrumental sides of the science. The use of technical phrases has been as far as possible avoided, so that the beginner may have no difficulty in thoroughly mastering the book and in proceeding to the more advanced works on the subject. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
