Ashlyn Brown s Felted Critters: Patterns for 6 Critters with a Mission of Awareness (Paperback)

By Ashlyn Ecelberger Brown

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a book with 6 animal patterns for ornaments made from felts; A pouncing fox, jumping salmon, howling wolf, watchful owl, busy beaver, and hanging bat. These critters were inspired by a gift of handmade felt scraps from a friend whose lovely colors gave my critters a whole new life. With the sale of of these ornaments at a craft gathering, I was able to donate the proceeds to a local charity and the idea of the pattern book was born. I call these, critters with a mission. That mission being to charm their owners and bring awareness to the critical roles of predator and prey, and a balance of diversity in nature. This book assumes you have felts to work with. That could be, Eco-Felt, handmade wool felts, felted wool sweaters and other recycled material that will not unravel at the cut edges.
