

The Er: One Good Thing a Day (Hardback)

By Rade B Vukmir

Dichotomy Press, United States, 2016. Hardback. Condition: New. 2nd. Language: English . Brand New Book ***** Print on Demand *****. The ER is a tough one for all involved- patients, families, nurses and doctors. There are both tragedies and victories found in the most major and minor of life s events. We would hope to bring a moment of clarity into this account of the day-to-day operations, striving to find One Good Thing A Day. This work would be best explored as window into the emergency medicine experience. Summary To most of us, the emergency room(ER) can be a foreboding place, but to the team who works here it s home. At times, it is just like what you see on television-hours of mundane activity interspersed with moments of terror involving life-changing visceral emergencies. It is the never-ending struggle of life and death, and the balance can shift ever so slightly in the day-to-day. But more than that, within the walls, there are the people. The patients, who are in an unknown circumstances without their normal mechanisms for control available to them, are still mostly optimistic and hopeful. The physicians continually strive towards flawless technical excellence, while attempting to maintain...

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

-- **Imogene Bergstrom**

Thorough information for ebook enthusiasts. It is rally fascinating throgh reading through period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
