As conditions are at present, this year is one that will require your most earnest endeavor that what you do will be with the object in view of working for the best interests of our city. Owing to the conditions that exist you will be called upon to decide questions that will require good judgment upon your part. With our country engaged in a conflict such as the world has never known, and with a very poor prospect in sight for its end, we should each and every one throw aside our personal and political prejudices and do whatever we can to assist in conducting to a successful end this unholy war and aid in establishing a true democracy that will last forever. In fact, we should each and every one say, I am an American citizen. I believe in American institutions and stand ready to do my part, 7 in matter what it may be, that the cause of Liberty and Right may prevail.
