Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Annual Report of the Board of Harbor and Land Commissioners: For the Year 1895 On Oct. 17, 1895, a hearing was given in North Carver on the petition of the Muddy Pond Company for license to draw water from Coopers Pond in Carver. All other hearings were given by the Board at its office in Boston. South Boston Flats. The work of filling and improving the tide-water lands known as the Commonwealth s flats at South Boston has been confined to completing the work already laid out, and such incidental doings as have been necessary in connection therewith. During the year the filling of the 170 acres which have been inclosed by sea walls and bulkheads, together with the filling to grade 16 of the streets already planned thereon, has been completed with the exception of about 900 feet of Congress Street which still requires to be widened 25 feet. The contracts with Messrs. Perkins White, dated June 13, 1893, and Aug. 3, 1894, for grading with gravel D and E Streets, between Cypher and Congress Streets, and the cross streets between C and E Streets, have been completed. During the year 33,162 cubic yards of gravel were delivered and placed, making a total of 73,662 cubic yards deposited under these contracts. The contract price was \$46,407.06; this makes the cost of grading the streets 7.17 cents per square foot. Pursuant to the contract made Sept. 12, 1894, with the New England Dredging Company, for filling to grade 13 the seventy-acre lot north of Congress Street, 135,790 cubic yards of material have been deposited and graded. About the Publisher Forgotten Books publishes hundreds of thousands...
