By Michael Odom

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Strutting, Attracting, Snapping: a not quite complete list. The rest would include passion, indifference, stalking, needing, knowing never knowing, loving, hating, and on and on. Love poems rush in where greeting cards fear to tread and these love poems more than most leap into the unfathomable divide that separates desire and desired. This first published chapbook is a brief sampling, intended mostly to share. If you find these poems to be more than worthy of a read, please share them with every reader you know.
