Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It s been twenty years since US Navy veteran Bret Morrison left his hometown of Morehead, Oklahoma, leaving behind a broken heart and the woman he loved, Marie. When he returns, Marie s still there, but she s changed-and so has Morehead. People are disappearing. Gays, Jews, and African-Americans are suddenly vanishing. Those targeted have one thing in common-they belong to groups persecuted under Nazi regimes. Someone in Bret s peaceful hometown seems intent on recreating Josef Mengele s dark agenda, but who? Vergil, the local sheriff, seems at best indifferent to the disappearances, and at worst, complicit. Marie, Bret s old flame, has developed a seething hatred of blacks in his absence, at the same time growing involved with Erik, a German-American doctor. And then there s Karl, Erik s father, a pig farmer with a shadowy past-and a prime suspect in many townsfolk s minds. Bret has his own memories to lay to rest. He needs closure with Marie, one way or another. And he can t help but draw connections between the current missing persons crisis and a murder from his youth. All he s got to do is stay alive long enough to discover the truth.
