CROSSWAY BOOKS, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The book of Romans was Paul s greatest literary achievement, a majestic letter in which the apostle explains crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, this guide explains the biblical text with clarity and passion--helping us to follow along as Paul recounts the history of salvation and illuminates the glories of the death and resurrection of Christ.
