AUTHORHOUSE, United States, 2016. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The unexamined life is not worth living. Ford and Blisko share Socrates quote in their offering of The Root Cause Analysis of A Balanced Leader. I believe the timing is right, in our business world, for this treatise which guides the Leader through a Root Cause Analysis process designed for discovery - the discovery of the reader s Balanced Leader within. The illustrated process models Ford and Blisko have designed are both enlightening and practical. They work to highlight the need and provide methodology for a systematic discovery of where the Leader is and where the Leader wants to be. Offered in a unique presentation format, this organized study informatively walks with the Leader from start to finish. The finish? The who, what, when, where, how, and why of the reader and their leadership efforts; their approaches, their goals and their techniques, as a Leader.
