Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changed the way I believe.

Brand New Book ***** Print on Demand *****.Excerpt from Creation, Time and Eternity: A Book Devoted to the Unfolding of the Great Fundamental Truths as Found in Science, Nature and Revelation, the Greatest Theme That Ever Engaged the Mind of Mortal Man It fell to the lot of the writer to read in manuscript the following pages and it is needless to say they were read with interest. And now the author requests that a few words be written as an introduction. As a rule the busy man, beset with the strenuous life of our day, skips the introduction and plunges at once into what the author has written, and wisely, too, for often the foreword blunts the appetite for further reading instead of giving mental zest for the feast in store for the careful reader. If brevity be a virtue then that much will be in favor of this effort. The author has gone over a large and most important field of research in his work. Science, nature and revelation; Creation, Time, Eternity, themes fraught with tremendous interest to every son and daughter of Adam. We come, we abide a moment, we go. Whence came we? what had we better do during our short stay? and where are we going? These are the most important questions that can occupy the mind. Our brother has given much time, thought and research to these subjects and the reader will find himself interested at the outset. That all will not be ready to accept his conclusions goes without saying, but those who criticise will be compelled to admit the painstaking effort shown in the work. The chapters on Typology, as well as the entire book, should...
