## BOOKER - HATE CITY (VOLUME 3)

Sugar Hill Press. Paperback. Condition: New. 310 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. After a life filled with destruction of others and himself, and his body ravaged by disease, there's only one thing left for Javier Calero to do. Leave a legacy that will finally bring meaning to his life and to the death of an American president more than fifty years ago. The CEO of a green energy company is murdered behind his million-dollar estate, his neck nearly severed in two. Recruited to aid the widow and find a savage killer, Booker finds himself in the middle of a family train wreck. Days later, thrust into the crossfire of a deadly sniper, Booker eludes sure death with the uncanny arrival of a young woman who only wants to save her father from harm. But she can't do it without Booker's help. Joining forces with a Latin spitfire, Booker and his new sidekick, Maggie, embark on a twenty-four-hour quest to hunt down a killer determined to make an indelible mark on history just like the one that struck down John F. Kennedy a half-century earlier, which launched a cascade of assassination investigations and theories. **BOOKER - Hate City** weaves a historic tale of thrills and suspense, examining the justifications of the unjustifiable. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
