Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Enrique Labadie)

Baen Books. Book. Book Condition: new. BRAND NEW, 1920: America's Great War, Robert Conroy, By the author of breakout WW II era alternate history Himmler's War and Rising Sun, comes a compelling alternate history thriller. Consider another 1920: Imperial Germany has become the most powerful nation in the world. In 1914, she had crushed England, France, and Russia in a war that was short but entirely devastating. By 1920, Kaiser Wilhelm II is looking for new lands to devour. The United States is fast becoming an economic super-power and the only nation that can conceivably threaten Germany. The U.S. is militarily inept, however, and is led by a sick and delusional president who wanted to avoid war at any price. Thus, Germany is able to ship a huge army to Mexico to support a puppet government. Her real goal: the invasion and permanent conquest of California and Texas!.
