DIAGONAL LENGTHS: RETHINKING OUR WORLD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered what the world might be if you had the power to make any change? You might have held back, thinking there to be too many obstacles. Politicians too have their heads down focussed on short-term priorities and electoral goals, with everyone passing the buck and no one focussing on truly ground-breaking solutions. This book is a wake up call. If written a few hundred years ago, the author would be in prison. It's testament to our democracy...
