Family s oral tradition: He had issues with his wealthy stepfather. Fiction: That s Elizabeth s Prodigal. Set in the mid-1870 s, Albert has a mother, Elizabeth, who loves him, and a stepfather, Matthew Redding, who provides more than adequate opportunities for lads his age. He has seven siblings and step-siblings, though some are more tolerable than others. He s won the county s top academic award, so school s behind him. He strongly believes he s outgrown home and he s ready to take on the world. There s a matter of his Kelsey inheritance from the sale of Pa s farm when Pa didn t return from the war. That money would make going away easier, but Matthew will probably prevent Ma from permitting him to have it. Besides, who really knows why Pa didn t come back from the war? Is he really dead? Everyone knows there s no body under that tombstone. And, if Matthew weren t so religious, he and Ma might not think Albert s ideas are an unrealistic to shortcut to wealth. Albert has had it. He s eager to take off. Does he have even an inkling of situations about to confront him and the misadventures likely awaiting a youth so eager to grow up? Will he find who and what he s after? Margery Kisby Warder mixes Truth with humor because she believes God created both. Christian Historical Fiction. Adventure with values, suitable for any reader. Includes brief discussion guide.
