## THE ROMANCE OF THE FOREST: INTERSPERSED WITH SOME PIECES OF POETRY (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Romance of the Forest is a Gothic novel by Ann Radcliffe that was first published in 1791. It combines an air of mystery and suspense with an examination of the tension between hedonism and morality. The novel was her first major, popular success, going through four editions in its first three years. Furthermore, this novel also established her reputation as the first among her era s writers of romance. There is surprisingly little essential difference in characterization, Gothic decor, or plot outline to distinguish this novel from its predecessors. Its superior merit lies in the expansive and subtle use which the author makes of these elements so that the characters are relatively well realized, the Gothic decor is blended into the sensibility of the reader rather than imposed upon it, and the plot is an intricate and often dramatic series of congruent incidents and living tableaux, not a congeries of barely related and stillborn scenes and surprises. Most critics who have given any attention to Mrs. Radcliffe as a novelist have decided that she is important chiefly for her use of the supernatural, and for her emphasis upon landscape.
