

Diverticular Disease (Paperback)

Filesize: 3.89 MB

Reviews

If you need to adding benefit, a must buy book. It can be writter in straightforward words and phrases and never difficult to understand. I realized this ebook from my dad and i advised this ebook to learn.

John Wiley and Sons Ltd, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. Diverticular disease first became recognised at the beginning of the 20th century and although the incidence of the disease is not known, it is considered to be a disease of the older person. This book looks at a disease that is known as a Western world disease, often called by surgeons a cinderella disease as they often feel that there is little to offer the patient with uncomplicated diverticular disease. The book endeavours to give the healthcare professional a holistic view of the care and pattern of diverticular disease, and chapters may be used as stand alone chapters for those wishing to know more about stoma care, alternative treatments or food management. This book is essential reading for healthcare professionals involved in the care of patients with this disease.
