

The Southern California Dental Patient Guidebook; Perfect Crowns and Smiles in One Day (Paperback)

Filesize: 4.35 MB

Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

(Mr. Rafael Hoeger)

THE SOUTHERN CALIFORNIA DENTAL PATIENT GUIDEBOOK; PERFECT CROWNS AND SMILES IN ONE DAY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dental Technology has come far in the past decade. This patient guide creates better understanding of the options available in crowns and cosmetic dentistry that remove most of the hassles of traditional dental procedures while improving patient satisfaction, giving better results and providing all the benefits of comfortable chewing and an attractive smile. Cosmetic crowns can now be made in as a little as one hour on the same day. Walk in, have a broken or damaged tooth repaired with a cosmetic ceramic that s 3X stronger than traditional porcelains used by many dentists, and walk out an hour later. Not long ago this was unimaginable. Now in practices like Torrance Dental Arts patients experience it on a daily basis and you can too. A tiny group of advanced dental practices in North America have also gone beyond this advancement and use a new protocol called Perfect Smile in One Day which allows an entirely new smile to be created and finished on the same day. New technologies combined in a unique way make this possible including: *Cerec; a digital technology that prints crowns 3X stronger than traditional cosmetic porcelains and prints on the spot in minutes instead of weeks like in a typical dental practice. *The Digital Smile Preview System; a 100 painless way of showing unlimited previews of how new smiles will appear in the mouth before any irreversible treatment is performed. *Try Before You Buy Veneers; an exclusive verification technology that allows the digital smile to be physically previewed (tried) in the mouth to verify that the digital preview looks the same in the real world. Dr. Steven J. Sutherland is the founder of Torrance Dental...
