Democratic Play  
crowd-sourcing through digital games for  
architectural design

Book Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | crowd-sourcing through digital games for architectural design | This thesis presents a system that uses games. It allows people to participate in the process of designing an architectural space. The site for this experimental methodology is a courtyard on MIT campus. The games are initially prepared by an architect through sampling various objects, materials, lighting, and figures from different media such as photogrammetric models around the building site and other relevant...
