Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.

Mariner Books, United States, 1998. Paperback. Condition: New. Harvest.. Language: English . Brand New Book ***** Print on Demand *****. This is the memoir of one man s faith. The renowned social and political commentator, William F. Buckley Jr., turns to a highly personal subject -- his faith. And he tells us the story of his life as a Catholic Christian. Nearer, My God is the most reflective, poignant, and searching of Bill Buckley s many books. In the opening chapters he relives his childhood, a loving, funny, nostalgic glimpse into pre-World War II America and England. He speaks about his religious experiences to a world that has changed dramatically. He is unafraid of revealing the most personal side of his faith. He describes, in his distinctive style, the intimacy of a trip to Lourdes, the impact on him of the searing account by Maria Valtorta of the Crucifixion, the ordination of his nephew into the priesthood, and gives a moving account of his mother s death. And there is humor, as Buckley gives a unique, hilarious view of a visit to the Vatican with Malcolm Muggeridge, Charlton Heston, Grace Kelly, and David Niven. Personal though this book is, Buckley has gone to others to examine new perspectives, putting together his own distinguished Forum and leaning on the great literature of the past to illustrate his thinking on contemporary Catholic and Christian issues.
