By -

ROWMAN LITTLEFIELD, United States, 2015. Paperback. Book Condition: New. 229 x 151 mm. Language: English . Brand New Book. This text is intended to give educators a resource to aid them in creating a literacy curriculum. The included chapters written by experts from different universities across the country offer a variety of methods for using YAL to meet the standards while connecting with students. Following a framework first chapter introducing the importance of YAL and discussing its relevance, other authors tackle various ways to teach it. Each chapter may suggest different strategies and rationales for utilizing YAL, but each shares a common purpose with the others: to promote the efficacy of YAL to engage students while at the same time meeting the rigorous standards set forth by the Common Core.
