Ashram of the Sea shares the cetacean mission to help Earth's human beings become the most compassionate beings in the universe. The story is told by the Heart-Mind of God and sixteen sparkling, deeply loving, spiritual leaders of the cetacean community. Each dolphin and whale shares sacred wisdom that explains the special roles specific species play in human evolution. The book will light up your heart and re-ignite your desire to fulfill your divine mission for being alive. Excerpts From Ashram of the Sea. Savina, A Hawaii Spinner Dolphin, Speaks Ashram of the Sea gives my pod and my entire Cetacean Nation a platform for meeting you. We appreciate this opportunity to share the complex role we play in unifying the Heart-Mind of God with the Heart-Minds of human beings. These great beings (the Sirians) envisioned the progression of human evolution, and very meticulously configured the matrix of Gaia's Twenty Rays of Christ Consciousness. Each ray represents one important aspect of the development of the compassionate, heart awakened, loving, kind human being. The kindest beings in our universe now live on Earth. This is the planet where people are given the opportunity to deepen into service to those less fortunate. Heso, a Pygmy Right Whale, Speaks The truth is that each human's purpose is one that the Great Creator designed just for that person. Great Creator knew that the person would contribute to the library of knowledge about what it takes to be compassionate. Blega, a Humpback Whale, Speaks. The cetacean nation's impact has been silently permeating consciousness forever and ever. There is so much for you to learn about your cetacean co-creators of heart centered living.
