

## Beyond Solidarity: Pragmatism and Difference in a Globalized World (Paperback)

By Giles B. Gunn

The University of Chicago Press, United States, 2001. Paperback. Condition: New. New. Language: English . Brand New Book. In this text Giles Gunn asks how human solidarity can be reconceived when its expressions have become increasingly exceptionalist and outmoded, and when the pressures of globalization divide as much as they unify. Drawing on the work of Williams and Henry James, John Dewey, Primo Levi, Richard Rorty and others, as well as postcolonial writings, Jewish literature of the holocaust and the cultural and religious experience of African Americans in slavery, Gunn points pragmatism in a transnational direction and shows how it can better account for the consequences of diversity.
