## IF MY PEOPLE: THE SAVING OF AMERICA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Christians today worry that America is in free fall, and that our role on the international stage has been profoundly compromised by our spiritual sickness. What can we do to make things right again? According to K. Ross Newland, the answer has been within our grasp all along. To discover it, we simply need to open the Bible. If My People: The Saving of America is Newland s powerful message to the Christian community about what we have become and what we are supposed to be. Rather than appropriately heeding the truths laid down in Biblical text long ago, we have instead used the word of God to assert our power in society through courts and the government. Nothing could be further from the intention of God, who asks that we trust in him to fix the evils of the world. A chronicle of our own hubris as self-anointed social engineers, If My People is a rousing, rallying cry for Christians to rethink their role in this country and beyond. Clear, concise, and crucial, this eye-opening declaration is required reading for any Christian who sincerely wants to restore peace and spiritual prosperity to this ailing nation.
