SIREN S FURY

Thomas Nelson on Brilliance Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. I thrust my hand toward the sky as my voice begs the Elemental inside me to waken and rise. But it s no use. The curse I ve spent my entire life abhorring--the thing I trained so hard to control--no longer exists. Nym has saved Faelen only to discover that Draewulf stole everything she valued. Now he s destroyed her Elemental storm-summoning ability as well. When Nym sneaks off with a host of delegates to Bron, Lord Myles offers her the chance for a new kind of power and the whispered hope that it may do more than simply defeat the monster she loathes. But the secrets the Bron people have kept concealed, along with the horrors Draewulf has developed, may require more than simply harnessing a darker ability. They may require who she is. Set against the stark metallic backdrop of the Bron kingdom, Nym is faced with the chance to change the future. Or was that Draewulf s plan for her all along?.
