Fantagraphics, United States, 1989. Paperback. Book Condition: New. 284 x 211 mm. Language: English . Brand New Book. One of the most requested volumes of the Love and Rockets library is the scariest and sweetest volume of all! Duck Feet Volume 6 of the complete Love and Rockets showcases Gilbert's Palomar in the title story, in which a spooky bruja (witch) passes through town and leaves a load of trouble and weirdness in her raggedy wake. Meanwhile, in the city, Vincente has fallen on hard times and Israel tries to fill the void left by the disappearance of his twin sister they were children. Gilbert shifts the gears from terror to romance with For the Love of Carmen, telling of Heraclio's courtship of the diminutive bombshell. Not to be outdone, Jaime presents the best of his hanging around stories, Locas vs. Locos and Mojado Power, featuring Maggie and Hopey, and guest-starring Hopey's lady-killer little brother Joey and Izzy's diary secrets. All this plus Rena Titanon, two stories featuring lost little girl Rocky and her pet robot Fumble, and a cover gallery. This is the volume that secured the Bros. position on Time Magazine's Top Innovators of the last century!.
