Rose Lewis Quilting, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.MONOFILAMENT THREAD Do you use it? Do you live in fear of it? Do you hear horror stories about it? Do you think that your machine doesn't like it? Does just the thought of using it, make you go weak at the knees? Well, I can very easily change that for you! I can melt away your fears! I can dissolve all those horror stories! I can teach you how to set your machine, so it will LOVE it! I can give you, confidence, knowledge, understanding power over this thread. You will wonder why you ever had any apprehensions about using monofilament thread. I have been using this thread in vast quantities for over 30 years now, and while teaching classes I noticed how many students were feeling lots of anxiety and fear about it. So much so, that I then decided that it would always be part of my teaching whenever I was doing a class where we were to be sewing with it. This has been a huge success for my students, as they leave feeling absolutely amazed at just how easy it is to sew with, once they have been taught the easy, no fuss way to set their tension, how to find and set the correct stitch length and width, which brands that I always use, where I never have any issues with the thread melting, tangling, or sewing poorly, etc. I decided that as my students were receiving so many positive benefits from now using and understanding monofilament thread, that I would like to share this simple but very valuable knowledge with others right across the world, so they and you, yourself can also start using this...
