Xulon Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When I was attending college I often heard numerous people say that they have had sightings of UFOs. I have never experienced anything in that category. The idea that there is other beings living on earth with us always intrigued me. When I began writing the book entitled Ocean-Na, dormant sensibilities were awakened in me, which made me want to investigate the reality of this concept more thoroughly. If you are one of those inquisitive person, I encourage you to read this book. Book 1 tells about a young lady who lives near the ocean and has a life style different from ours. She looks somewhat like a mermaid, but she really isn't. Book 2 coming soon, will give a more comprehensive report of her life and customs. Get ready to meet a remarkable family who are also earthlings, but live an entirely different life to what we are accustomed to, yet, they are intelligent, speak many languages and conduct themselves in a peaceful and orderly manner.
