Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Frances Lincoln Publishers Ltd, United Kingdom, 2001. Paperback. Condition: New. Niki Daly (illustrator). Language: English . Brand New Book. After a stormy night, a farmer searching for his lost calf finds a baby eagle that has been blown out of its nest. He takes it home and raises it with his chickens. But when his friend comes to visit one day, he tells the farmer that an eagle should be flying high in the sky, not scrabbling on the ground for grain. A powerful and uplifting African tale of fulfilment and freedom brought to life by stunning illustrations.
