By Institute for Career Research

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.ARE YOU GOOD AT SCIENCE? DO YOU have a passion for the great outdoors and a deep-rooted desire to protect the environment? Then consider a career in forestry. Surrounded by wildlife and lush woodlands, you will use your skills and knowledge to serve humanity and preserve the wilderness for generations to come. Forestry offers jobs on the local, state, and national level, with employment opportunities in foreign countries as well. From forest rangers, to resource recreation managers, to urban foresters, this is a field with a wide range of careers. Foresters employ the latest advances in science and technology to address the numerous challenges and threats to the productive use of timberlands, without destroying this valuable natural resource. Forestry is a career that encourages discovery and innovation. Imagine having a job developing methods to use wood more efficiently, or finding new, effective, expedient ways to battle forest fires, sparing more of this valuable land from needless ruin. The view of forests has changed a great deal since early settlers came to North America. Heavily wooded areas were once...
