Universally, the term sweet is associated with improving, comforting or satisfying. Part of the sweetness (coupled with responsibility) oozing from others right now, involves people increasingly acting on promptings to provide relief and recovery for others in need. The word recovery includes: healing, rebuilding lives, reestablishing employment structures, reconstructing homes, reviving faith, and restoring relationships. Sweetness still invokes the uncomplicated notion that we can and should invest in each others well being. Over the years, weve always found lasting and loving ways to do that. As you invest in this sweetness, let it penetrate a chamber of your heart, and help shape or reshape your thinking. Then, through your encounters, I encourage you to use the sweetness that you experience to help others see that they are loved and cared for more than they realize.
