Carcenet Press Ltd, United Kingdom, 1984. Paperback. Condition: New. Language: English . Brand New Book. Heinz Winfried Sabais poetry first appeared in English translation by Ruth and Matthew Mead in 1968. Reviewing *Generation* and other poems in *Tribune* , Richard Burns wrote: Whether he is concerned with public statement or private emotion, Sabais reveals himself as a commanding spokesman for individual conscience and personal commitment . *The People and the Stones* includes most of the poems collected in the earlier book, together with two long political poems written in the 1970s - *Agenda* and *Socialist Elegy* - and a selection from the posthumously published *Self or Saxifrage* , a sequence of autobiographical and historical poems written shortly before his death in 1981. Sabais distinctive gift lay in presenting the conflicts of the post-war German experience without self-pity, his style is fully conveyed in these translations by a poet of his own generation who has on occasion been surprised to find myself writing down things which, even allowing for the ventriloquist s-dummy aspect of translation, I might have written myself .
