

Milo Yiannopoulos and All This Mess (Paperback)

By Neopoprealism Press

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.This book is obviously a book that the globalists do not want to see in their home library. And not because it is about the past and current events and about relationships between people with different political views, but because it analyzes not in their favor why and how free speech is important to human progress. It also explores some Milo Yiannopoulos speeches during his Dangerous Faggot tour and his interviews when he touches different hot topics. This book focuses on the Milo Yiannopoulos temporary set back related to a controversial video-interview at Drunken Peasants. It suggests that freedom of speech is a necessity to keep the US free and flourishing with liberties and progress. Even this account agreed with globalists that globalization is a good thing, it suggests that at the current state, the planet Earth with its population is not ready for it (yet). God Bless America.
