Abingdon Press, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. After her mother dies from a heart attack, Sloane Templeton goes from Cyber Crimes Unit to bookstore owner before she can blink. She also inherits a half-batty store manager; a strange bunch of little old people from the neighborhood who meet at the store once a week, but never read books, called the Granny Oakleys Book Club; and Aunt Verline, who fancies herself an Iron Chef when in reality you need a cast iron stomach to partake of her culinary disasters. And with a group like this you should never ask, What else can go wrong? A lot! Sloane begins to receive cyber threats. While Sloane uses her computer forensic skills to uncover the source of the threats, it is discovered someone is out to kill her. Can her life get more crazy? Bonnie Calhoun's first Sloane Templeton mystery, *Cooking the Books*, is one of the most delightful new fiction voices I've read in years. My only complaint--waiting for the sequel. If this book doesn't have you ROFLOL, you'd better check your pulse! --Jeanette Windle Bonnie Calhoun's debut novel, *Cooking the Books*, is as fun and quirky as the author herself. The cast of characters brims with unexpected humor and heart, and Sloane's take on the world around her keeps the reader eagerly turning pages to see what she'll say or do next. I look forward to more Sloane Templeton adventures. --Sandra D. Bricker, award-winning author of the Emma Rae Creation series that began with *Always the Baker*, *Never the Bride* What do a gangsta ex-boyfriend, gunslinging grannies, computer hacking, two very unusual books, and the world's worst chef all have in common? You'll find them...
