Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The history of religion refers to the written record of human religious experiences and ideas. This period of religious history begins with the invention of writing about 5,200 years ago (3200BCE). The prehistory of religion relates to a study of religious beliefs that existed prior to the advent of written records. The timeline of religion is a comparative chronology of religion. The purpose of this series of books is to illuminate the necessity to emphasize our common humanity and eliminate the battles and divisiveness that exist in the ongoing religious struggles. This book is designed to be a reference and provide an overview of the topic and give the reader a structured knowledge to familiarize yourself with the topic at the most affordable price possible. The accuracy and knowledge is of an international viewpoint as the edited articles represent the inputs of many knowledgeable individuals and some of the most current knowledge on the topic, based on the date of publication.
