Brand New Book ***** Print on Demand *****.SERIES DESCRIPTION: In the center of Long Island s forbidden wasteland, overseen by a large and powerful corporation known as Arc Properties, is GAMELAND, a virtual reality arcade where the rich and privileged act out their base fantasies using zombies as avatars. Using remote gaming controllers which connect them to their Infected Players via neural implants (government-mandated in the event of an outbreak), Operators pit the Undead against one other in a high stakes game of money, violence, and power. But while breaking in turns out to be a lot easier than any of them could have ever imagined, getting back out is one hell of a killer. As they soon discover, when you play, you play to win. Losers become a permanent part of The Game.
