### ***Reviews***

*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

NOTE: The title of this book has been changed to WRITING FOR THE COMMON CORE, to better reflect the content. Please look for WRITING FOR THE COMMON CORE, instead of this one. Need to improve your students writing under the Common Core Prewriting--the initial phase of the writing process--can transform student writing. The varied activities in this book stimulate thought, reflection, memories, and research. Students try out words and phrases and choose effective language. They learn to organize and structure their work. Students generate material while addressing both structure and language. Strong prewriting activities alone cant guarantee strong results. But strong prewriting activities set the stage for strong first drafts, which have a jump start in the revision process.
