Marina Alexander Returns in a Thrilling New Mystery of International Intrigue, Lost Treasures, and High-Stakes Adventure Gleason mixes historical mysteries with current events and exciting technology creating a fast-paced story that takes you on an action-packed ride! New York Times bestselling author Jana DeLeon The Lake Superior Basin, 2000 B. C. E. : Two hundred tons of raw copper are mined and removed by white-skinned strangers who leave behind a mystery of their own. Tunguska Siberia, 1908: The earth rumbles and roars, destroying everything in a thirty mile radius except for an infant, miraculously left untouched. St. Louis, Missouri, Present Day: A far-reaching blackout brings the economy in the Midwest to a halt and the only explanation is a swarm of rare beetles from the Amazon. Napo, Ecuador: The body of a Korean businessman, still dressed in his suit and loafers, is found in the Amazon jungle with no indication of how he got there. Marina Alexander, search and rescue expert, is fortunate enough to be on hand when a young couple gets lost in an old cave in Northern Michigan. She also discovers what brought them deep into the ancient copper...
