This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).

Why doesn't God intervene? Icons for Words was born from author Amy Wickham's tragedy that God did not prevent. She opens wide God's answer to her own heartbreak: An enemy hath done this. Are we quick to forget the age-old tale of Jesus walking on the water? The storm raged and the tempest howled; the disciples, strong and seasoned fishermen, struggled against the gale. Then, they saw Jesus. and were terrified. But Jesus called out, Take courage! It is I. Don't be afraid (Matthew 14:27, NIV). They let Him into their boat, and the tempest hushed. Are we terrified of the One whose heart yearns for us? How do we miss His massive shoulders trembling beneath the weight of tears if even one of us turns away from Him? He sends us written Love; pictures of Himself, in His Word, that we might live. Why will we die? Once, on some road to a town called Emmaus, the Ultimate Man took a long walk with two guys. He gave them His pictures. Would you like to see some? Icons for Words has one purpose: to portray nothing while among you, save Jesus Christ and Him crucified. He alone will quiet the storms that rage within you, if you let Him into your boat.
