Extra Virgin: A Young Woman Discovers the Italian Riviera, Where Every Month Is Enchanted

By Annie Hawes

HarperCollins Publishers Inc, United States, 2002. Paperback. Book Condition: New. Perennial ed.. 201 x 135 mm. Language: English . Brand New Book. In 1983, a pale Annie Hawes and her equally pale sister leave England for the sun-drenched olive groves of a small Italian town in Liguria. With fantasies of handsome tanned men and swimming in the sea urging them on, they are hired to work for ten weeks to graft roses -- of which they have little knowledge -- along the Italian Riviera, board and lodging included. But none of the men seem to be under forty, and Ligurians have particular ideas about life, including swimming (To go swimming in seawater outside the month of July or August is even worse for your health than drinking cappuccino after twelve noon!). But Annie and her sister are captivated by San Pietro's quirkiess and beauty, and suddenly their brief stay stretches into years, as they are bemused, charmed, and ultimately accepted by the eccentric inhabitants of their adopted home. Resonating with captivating verve and humor, Extra Virgin dishes up a sumptuous sampling of Italian life from an irresistible new voice.

Reviews

These types of ebook is the best book available. It really is written in easy terms instead of hard to understand. You will like just how the article writer create this book.
