Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Use this book as a reference guide throughout college. The text is the isolation of what is needed from linear algebra for future courses. The text is also designed to assist a student throughout college courses i.e. there is no need to hunt through the textbooks to find all the appropriate material that lays a foundation for problem solving. The book also goes along with a library of thousands of free video lessons via /JJtheTutor or for students to learn from. JJtheTutor is a top rated tutor worldwide known for his precise and clear video lessons, resources and video discussions. He has dedicated his life to helping college STEM majors receive a better education. His other focuses are research in theoretical physics, and mechanical mathematics.
