

The American Metrical Psalter (Classic Reprint) (Paperback)

By George Burgess

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The American Metrical Psalter Almost as soon as the English Bible and the English Common Prayer, the Psalter in English metre became also the possession of our fathers. It was a necessity, because our language, and those other languages which are its nearest kindred, demand for songs which are to be the voice of the people, the charms, subordinate though they be, of measure and of rhyme. No workman at his toil, no maiden in her hour of gladness or of sadness, no soldier on the march, ever thinks of singing any thing but verse. The grander music of the skilful choir, appealing to the highly educated taste of a few, may disregard modulations so simple; but the popular ballad and hymn must keep pace with the common feelings of mankind.
