

The Financial Spread Betting Handbook (Paperback)

By Malcolm Pryor

Harriman House Publishing, United Kingdom, 2017. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. FULLY REVISED AND UPDATED THIRD EDITION Financial spread betting is a huge industry. But who wins and who loses at this game? What do the winners do that differs from the losers? That is what this book is about. Malcolm Pryor uses the model of climbing a mountain to explain a disciplined, winning approach to spread betting. First a base camp must be established. This includes getting set up with the right corporate data, charting and accounts software, deciding what to bet on and what your time frame should be, learning the nuances of operating an account, controlling risk, and learning from other people's mistakes. Many spread bettors don't even get this far. Next, we start climbing the mountain; this means having strategies that are right for us. The whole of this section is devoted to illustrating strategies which can be used for spread betting, for example trend following, counter-trend strategies and delta-neutral strategies such as pairs trading. Finally, we make our assault on the summit of the mountain. This is where the winners set themselves apart from the losers. Issues covered here include...
