This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Scholastic Press, 2017. Hardback. Condition: New. Language: English . Brand New Book. These elves are off the shelves. Ollie and Celia think they know what the life of an elf is supposed to be like: Make toys. Help Santa. Make more toys. Help Santa. Try out a new ice-cream flavor. Help Santa. But then Santa rocks the North Pole with a surprise announcement! He s decided this is going to be his last year in the Big Red Suit--and instead of letting his oldest son, the unfortunately named Klaus Claus, take over, he s opening up the job to any kid who wants to apply--Claus or elf. The Santa Trials have begun! Ollie and Celia enter the contest, having no idea whatsoever that they ll soon have to squeeze through impossible chimneys, race runaway sleighs, sweet-talk a squad of rowdy reindeer, and consume cruel amounts of cookies and milk. It s both an adventure and a survival test, far beyond what any elf or Klaus has been asked to do before. But whoever rises to the top will get a reward even bigger than Christmas . . .
