A thin mist manifested itself and floated in a single thin sheet just inches from the waters surface like a ghost. The friends venture deeper still into the darkness. Each traveling now by way of their own path, each finding new friends and foes along the way, each learning very different bits and pieces of what their adventure is really all about. This is Book 4 in the Seeking Daylight series. The story begins with Part I - Journey to the Underhill Gates. Seeking Daylight Louis Witherspoon has little idea just how important he is. After all, at Hinsdale Academy he is known by his classmates as the scrawny kid who was only accepted to the prestigious school because he is the grandson of the janitor that is, if he's noticed at all. But everything changes when Louis grandfather suddenly disappears, and he is left with a mysterious map that once belonged to a father Louis has never known. Along with his only two friends, Owen and Sophie, Louis is thrust into another world that he might have found right under his nose, if he had known where to look for it. It is a story of friendship, hardship and of fantastic adventure. But most of all, it's the story of three very different classmates who rise to meet the awesome challenges that life has thrown in their way together.
