It s the love of the mother that holds most families together. What happens to her precious children when she dies suddenly and suspiciously? The next in line to lead the family will be her oldest son, but he may not be the best choice, even though in the past he has been her sweetest angel. He may have changed into a fallen angel, which she suspected, but she refused to believe it. The new leader of the family won t necessarily be accepted, until he proves himself worthy. In fact, her angel may have changed into someone she wouldn t recognize. He may betray all of her trust, and his moral decline would make her roll over in her grave. Her angel may also drag down her other children with him. So, the tragedy is doubled.
