Bob is a cougar shifter, one of the elite Redstone Alphas. On a mission for his Clan, he meets a fragile young woman and finds himself drawn to her as he s never been drawn to a woman before. A woman with a brutal past. Serena is a bobcat shifter. Orphaned as a child, she was raised among humans until she was discovered by a Clan of unscrupulous bobcat shifters. Adopted by a shifter couple, she was beaten on a regular basis because she refused to be a mule for their drug trade across the US-Canadian border. She doesn t have a lot of experience with men, but when she meets Bob Redstone, she finds him nearly irresistible. A savage attack. When their haven comes under siege, they take to the road. Bob has been tasked with keeping her safe, but they re also on a mission to find a mysterious warrior-shaman who s gone off the grid. Finding him means returning to Serena s former territory and possibly confronting those who abused her trust, but they have no other choice. Can she overcome her past to embrace a future with Bob, or will the evil in her former Clan overpower their fragile, fledgling relationship?.
