Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Gargoyles, tree witches, and wolf shifters have divided the Isle of Stone after a great battle twenty-five years ago. When Kayla, a tree witch, hears about the unconventional rock concerts in the gargoyle s territory, she sneaks from her coven and into their territory to see for herself. Night after night, she returns to see one in particular shift into human form and play guitar at these unconventional shows. For several nights, Mason has kept watch for the pixie-like female. He plans to seduce her, thinking she s a visitor from another island. When he discovers she s one of the tree witches, he retreats, attempting to keep his distance. The temptation is strong, but forbidden. Kayla and Mason attempt to meet in secret, but other elements on the isle command their attention. A magical cloak created by the three clans on the island is thinning, leading to repercussions for all the clans. Kayla and Mason are caught in the middle of it, and their actions may change the fate for all. I would recommend this book to anyone wanting something a little different from their normal. 5* from Books and Beyond Fifty Shades I love a paranormal book that has multiple beings, in...
