THE WANDERINGS AND HOMES OF MANUSCRIPTS (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Wanderings and Homes of Manuscripts is the title of this book. To have called it the survival and transmission of ancient literature would have been pretentious, but not wholly untruthful. Manuscripts, we all know, are the chief means by which the records and imaginings of twenty centuries have been preserved. It is my purpose to tell where manuscripts were made, and how and in what centres they have been collected, and, incidentally, to suggest some helps for tracing out their history. Naturally the few pages into which the story has to be packed will not give room for any one episode to be treated exhaustively. Enough if I succeed in rousing curiosity and setting some student to work in a field in which an immense amount still remains to be discovered. In treating of so large a subject as this-for it is a large one-it is not a bad plan to begin with the particular and get gradually to the general. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by...
