## MOM HAS CANCER! (PAPERBACK)

Barron's Educational Series, United States, 2008. Paperback. Condition: New. Marta Fabrega (illustrator). Language: English . Brand New Book. The sensitively written Let's Talk About It Books encourage preschool-age and early-grades children to explore their feelings, deal with problems that trouble them, and understand others who have problems of their own. Each title speaks to a particular concern that children might encounter in the course of growing up. All books in this series have appealing color illustrations on every page, and are available in both English and Spanish language editions. A short section at the back of each book offers related advice to parents. This book points out that a diagnosis that Mom has cancer is as frightening for her children as it is for her. The story describes such a situation, helping kids understand how Mom requires special medical care on her path toward regaining health.
